

M-KLE MOBILITY SERIES

THE SMALL BUSINESS SOLUTION FOR AN ACTIVE, ON-THE-GO WORKPLACE

M100 SMB DECT MOBILITY SOLUTION

M100 BASE STATION & M10R KLE SIP DECT 4-LINE HANDSET

PROGRAMMABLE LINE KEYS

Program backlit line keys right on the cordless phone or deskset to give you one button hold and resume from any cordless handset or deskset

CALL HANDLING

Easily handle up to 4 calls simultaneously utilizing the 4 LED buttons on the handset or deskset

SCALABILITY

Register up to 10 cordless handsets or desksets to the M100 KLE DECT base station and program each one with its own phone number or extension

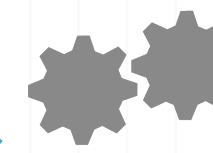

DECT 6.0 TECHNOLOGY

Leave your desk without leaving your work behind, it also ensures the best call range while not interfering with wireless routers

FLEXIBILITY

With support for up to eight SIP lines/accounts, you can manage multiple calls with advanced call handling features

EASY WIRELESS INSTALLATION

Cordless handsets and desksets can be easily paired with the press of a button
